

# Addizioni con i regoli

## Il numero 1

$$\square + \quad = \square$$

$$1 + 0 = 1$$

## Il numero 2

$$\square + \square = \square\square$$

$$1 + \underline{\quad} = \underline{\quad}$$

$$\square\square + \quad = \square\square$$

$$\underline{\quad} + 0 = \underline{\quad}$$

## Il numero 3

$$\square\square + \square = \square\square\square$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\square + \square\square = \square\square\square$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\square + \square + \square = \square\square\square$$

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$$

$$\square\square\square + \quad = \square\square\square$$

$$\underline{\quad} + \underline{\quad} = \underline{\quad}$$
